The Court having reviewed the Response and the record in this case, having heard argument and proffer of counsel, being otherwise familiar with the instant matter and those certain related matters presently pending before this court, finding it necessary to reserve sufficient time before this court to keep fully apprised of the status of this case and the related pending cases, and for the reasons stated on the record, it is

4. The Agenda shall by no means limit this Court's authority to enter Orders as it sees fit or preclude parties who attend the Status Conferences from presenting *ore tenus* motions that are not included in the Agenda.
