Howard C. Foreman

Clerk of the Circuit Court

The Circuit Court of the 17th Judicial Circuit,

In and for Broward County Florida

Case NO. 12-028324 (07)

Complex Litigation Unit

In reference to item "(a)" in the Plaintiffs prayer for relief, let it be known that I, Robert G. Mick, a partner in SPJ Investments, Ltd., a partner of S&P Partnership, have no objection to the request of the Plaintiffs to have the Court make the determination as to how the funds are to be distributed.

In reference to "(b)" and "(c)" in the Plaintiffs prayer for relief, let it also be known that I had no prior knowledge of the August 17, 2012 Meetings which attempted to take over control of the partnership (s) nor did I receive any notice of such meetings or attempts to usurp the authority and legal responsibility of the partnership to distribute the funds and that I oppose any and all attempts by any individual Partner or group of Partners which seek to obtain control over the Partnerships funds.

Referring to item "(e)" in the Plaintiffs prayer for relief, it is my desire for any funds or property which may become available for distribution from the Partnerships to be paid directly to me under court guidance rather than through the managing partner of SPJ, Steven Jacobs.

Regarding item # 498 in the lawsuit stating "the Firm wrote letters to each of the Partners advising of the foregoing and asking each Partner to indicate which of the two methodologies

he requested for distribution." I did not, and have not received any correspondence whatsoever from any of the Partnerships.

Respectfully submitted this December 16, 2013.
